Priority Area 1: Achieve Academic Excellence

- Staff Development time has been focused on looking at grade specific reading standards and gaps that are current curriculum does not cover. The focus is on exploring new curriculum that will cover all standard areas.
- 3 teachers in grades 3,4,5 (Dec. 10) and 2 teachers in grades 1,2 (Jan. 15) have been signed up to attend a math conference on guided math and working in centers to help differentiate instruction and provide hands-on learning the meet standards for all students.

Priority Area 2: Foster a Positive and Safe Environment

- Lockdown Drill #1 was performed as a lockdown with an outside threat. This is the first of 5 drills, to be completed during the school year.
- Teachers continue to work on our PBIS matrix for consistent expectations across all areas of the school environment.

Priority Area 3: Financial Stability to Support the District Mission

- Current K-6 enrollment at the end of quarter 1 is 462

Priority Area 4: Strengthen Community Relationships

- Technology Survey will be going out first week in December to students. 5th-12th grade can complete survey on Chromebooks or I-pads. K-4th grade will get paper survey.
- Teachers continue to work on Google Sites to promote a common platform to communicate with parents. Some teachers have started to upload these sites to our webpage.
