510.1 SCHOOL ACTIVITIES – TROPHIES/AWARDS

I. PURPOSE

The purpose of this policy is to impart to students, employees and the community the school district's policy related to the inventory, display and retention of school awards and trophies.

II. GENERAL STATEMENT OF POLICY

It is the policy of Independent School District #139 to retain all conference and state play-down trophies/awards in Academics, the Arts and Athletics. Individual medals/trophies will be retained by student participants. The inventory, display and retention of school trophies/awards will be the responsibility of the Activities Director and building principals.

III. RESPONSIBILITY

- A. The Activities Director shall have primary responsibility for the management of inventory and display of school awards.
- B. It shall be the Activities Director's responsibility to recommend appropriate display areas for all school awards subject to the building Principal's approval.
- C. The Activities Director shall publicly post school records in the various activities.
